Terms and Conditions of Participation in the Costa Rican Cultural Immersion Program 2010

Please read carefully the information contained on this page. When you have read the terms and conditions for participation, please sign and date the documents so that your application may be processed.

1. Fees and Payments: I agree to abide by the conditions and deadlines for payment of fees as stated on the General Description of the Costa Rican Cultural Immersion Program 2010 (hereafter referred to as said Program). I understand that failure to comply with deadlines will result in my being dropped from the Program.
2. Withdrawal from the Program: I understand that if I am admitted to participate in this Program and then subsequently choose to withdraw, I must notify the Program officials in writing as soon as possible. I understand that I will forfeit a minimum of \$500 if my withdrawal is before the beginning date of the program and I will not receive a refund after I arrive in Costa Rica.
3. Program Cancellation and Modification: I understand that the Program may be canceled anytime before it has started. If cancelled, I understand I will receive a full refund. I also understand that Program officials reserve the right to make Program changes, modifications, or substitutions in case of changes at the host site locations or in the interest of the Program and its participants.
4. Insurance: I understand the insurance begins upon disembarking from the plane after landing in Costa Rica not earlier than the arrival date indicated on the 2010 Program description and remains in force until boarding the plane leaving Costa Rica on the departure date indicated on the Program 2010 or sooner. The policy covers permanent incapacity, accidental death, repatriation of remains, acute illness (but not chronic illnesses), and emergency medical expenses resulting from car accidents. The minimum deductible is \$50 or 10% of the covered amount per event, with the payment the higher of these two figures to be made by the participant. A person first must pay for the medical services and then request reimbursement from the insurance.
5. Code of Student Conduct: While in Costa Rica, I recognize that I am responsible for complying with all conduct regulations of the home in which I will be staying and of the institutions in which I will be working and learning. I understand that I am subject to the laws and regulations of Costa Rica and its institutions. I will refrain from using drugs, abusing alcohol, and will avoid areas that may invite personal harm (e.g., bars).

I have read, understand, and agree to the terms and conditions of participation in the Costa Rican Cultural Immersion Program.
